Education

**Bachelor of Technology
(Civil Engineering)**
Maharishi Markandeshwar
Engineering College
April 2014 - August 2018

**Full Stack Web
Development (full time)**
Masai School
July 2022 - August 2023

Technical Skills

Angular React Node.js
RESTful APIs CSS3 Git
MongoDB JavaScript
Responsive Web Design
Generative AI Feathers.js

Certifications

**Frontend Developer
(React) Certificate** 
HackerRank
**Certificate Of
Completion - Elements
of AI** 
University of Helsinki

Rakesh Kumar

Full Stack Web Developer

Experience

Tristha Global | Associate April 2024 -
Pvt. Ltd. Software Engineer August 2024

- Focused on identifying and fixing bugs in the Angular codebase, ensuring that the application ran smoothly and efficiently.
- Actively learned new technologies and frameworks including Angular, Restangular, Feather.js, and TypeScript to enhance skills and contribute more effectively.

Projects

CodeCollab [Live Demo Link](#) [Github Repo Link](#)

JavaScript React Git Node.js Express.js

RESTful APIs HTML5 CSS3 MongoDB

Responsive Web Design

- Implemented user registration, repository creation, and management functionalities using React.js and Node.js.
- Designed and developed efficient server-side APIs with Node.js and Express.js to handle CRUD operations.
- Optimized MongoDB queries and database models to ensure high performance and scalability.
- Conducted thorough testing and debugging to ensure reliability and stability of the application.
